Essay

The womyn of the Mu Gamma chapter dedicate countless hours to strengthening our community, our campus and one another. As an organization we promote higher education through various events such as academic outreach conferences, university campus tours and resources, and mandatory library hours. Through our achievements we have been able to touch the lives of others, and through our scholarship we seek to find womyn who demonstrate these ideals in their daily lives. How have you contributed to the empowerment of yourself and others? (Please answer on a separate sheet of paper)
